Hat Making:

All students will be making their Easter Hat at school during class time. We ask that parents and caregivers please donate Easter craft items for our hat making activities. Ideas for donations include feathers, pipe cleaner, small foam eggs, small yellow chickens, coloured ribbon, colourful paper, Easter foam stickers, crepe paper, and shredded paper. Please do not send in actual hats. The students will all be provided with a cardboard hat band to decorate. All donations are to be placed in the Easter Craft Donations Tub at the School Admin Office by the 29th March. Students who do not celebrate Easter will be able to make a non-Easter hat in a theme of their choosing.

Cake Stall:

6L will be running a cake stall set up outside the library (cash only).

Signing students out early:

All parents and caregivers wishing to sign their child out early from school on this day are asked to go to the School Administration Office. There will be staff available to assist you. However, please be aware that this process takes time and there may be a queue. Thank you for your support and we hope to see you at our Easter Celebrations. If you have any questions, please contact Mrs Walsh via the School Administration Office.
