NON-LOCAL PRIMARY SCHOOL PLACEMENTS

INFORMATION FOR PARENTS

Parent may apply for the non-local enrolment of their child in up to two (2) schools of their choice in addition to their designated local school. A separate application form is required for each school.

Priority for enrolment will be given to students entering Kindergarten at the start of the year. Places may also be available in Years 1 - 6.

The criteria established at Glendore Public School for selecting amongst non-local applications are as follows:

- proximity and access to the school
- siblings already enrolled at the school
- medical reasons
- safety and supervision of students before and after school
- special interests and abilities
- compassionate circumstances
- structure and organisation of the school.

The number of students this school may enrol is limited by the availability of classroom space and teaching staff. This means that we may not have room left for non-local enrolments after accommodating local students.

Additional information can be found in the Glendore Public School Enrolment Policy which you were given along with this form.

Please return this form to The Principal, Glendore Public School.
